WE are glad to see the Indianapolis Sentine favoring the submission of the prohibitory amend ment to the people at the November election, and also opposing prohibition.—Rushville Jacksonian.

That is just what the Sentinel is in favor of. It demands for the people the privilege of saying in November what their will is in | Sauerkraut (duty free)-Value. regard to prohibition. The issue has been the Sentinel is anxious that the people shall beans-emphatically the food of the pooreverywhere throughout the State.

vote of the people. Does our "Independent" does not pass favorably upon it, the Constitution confers no power on that body to submit it. It dies then and there. The endeavoring to obscure the point, but no inteiligent man of either party should allow himself to be bamboozled by them.

pesterday and fixed the date for the State Convention on Wednesday, August *2, just one week before the Republican Convention meets. There was a large attendance of representative men of the Democratic party, and the expression was general and emphatic in favor of a strong plank against the submission to the people of the

What is the use of such foolish lying? Either you are very ignorant or you must have a poor opinion of the intelligence of your readers. The question of "submission" it clear out. The Legislature can only vote stitution has decided it, and expressly says upon them. If the members of the coming Legislature are opposed to the amendments, they may feel ever so willing to submit them to the people; yet the Constitution fail. Thus the Journal's charge that reprebe submitted to the people. until the middle of last week. Her relapse was is simply nonsense.

duty in regard to them. The party is most stitution. emphatically in favor of ascertaining the will of the people in the manner contemplated by the Constitution, and in carrying .. 10 00 that will into execution.

ROBERT DALE OWEN ON CONSTITU-TIONAL AMENDMENTS.

The fact is not likely to be generally denied that Robert Dale Owen was recognized as a leading spirit in the Convention which framed the present Constitution of Indiana. On 2 50 page 1,259 of the second volume of Constitutional Debates, on the provision in reference to amending the Constitution, as to what it meant, Mr. Owen is reported as fol-

"Now I think if it be made imperative that an mendment proposed to be made to the Constitution shall be voted for by two successive Legisla | neither is his party hypocritical. They say tures, to be elected with reference to that particular what they mean and mean what they say, THE Sentinel is prepared to furnish all subject, the question will be debated before the and will receive the support of those Books, Blanks, etc., necessary for Township | people, and they will send Senators and Representatives with a special reference to that question. This will be a sufficient guard against improper

and ill-advised amendments." This is the whole question in a nut shell. The question of amending the Constitution nected with the subject have already been will be voted on by the next Legislature, proposed there. Congress provides for a and it is desirable that the Legislature shall revenue to support the Government, and be advised of the will of the people upon does not the Herald know that a large porthe subject of prohibition. subject of Chinese immigration, better than

own parlor and in a private conversation. The Chinese are a race who lived under a despotism years without ever having a revolution toward liberty. That is not the material with which I wish to see any part of our country fill up. They do not comprehend nor affiliate with the American system. The impression that Eastern manufacturers (I speak as one of them) want cheap labor is entirely erroneous. What they want is intelligent laborlabor that represents citizenship, that takes stock in schools and Churches, and, if they were actuated only by selfish motives, even on that ground they would want a class of in this world. laborers that are large consumers as well as producers. The tendency in California is toward a feudal system. Thegreat land-owners there control more acres than any lord in England. With Chinese labor this is Unusually cold weather is reported in the possible, but it would not be with Cauca-Northwest, and snow has fallen in several locali- sian labor. The overwhelming sentiment in Ca ifornia on this question means a prolaborers in our broad country will not be

contented to work in gangs on a great owner's land. An American citizen's first ambition is to own a little land himself. As fast as he gets the money he puts it into sixty or 120 acres, and makes a home of his own, and represents in the commonwealth and children by a wife vote. The Chinese has no such sanctity night to burn the office of the Daily World, Louis | cheaper civilization. He fills the place of a man with better anchorage. The race is Mrs. Belle Hoover, of West Milton, O., was at- driving out and keeping out white laborers tacked by a buil dog and so norribly torn that her from the Pacific Coast, which would in course of time become an integral part of noblest manhood of the world. Their presence is, doing for California what African importation did for the South-establishing an aristocratic and a very servile class While the religious denominations of the solvent (blood purifier). JNO, R. RIPLEY, preventing by its operation the oppor-tunity for Christianizing the Chinese,

they forget that it was the same old argument that was used by the apologists for slavery-that it was a mercy to take the poor African out of his own jungles and bring him here to enjoy the opportunity of religious instruction, and though a slave to They do not reflect that the moral deteriis a greater evil, by the development of the worst traits in our fallen human nature, drowned yesterday, at Newcomerstown, O. while worst traits in our fallen buman nature, attempting to ford the Tuscarawas River, against than is compensated for by the alleged good received by the other party. It was so in, occasion of their removal from Washington to alarm about freedom of conscience in religious belief, prevented the stamping out of Mormonism thirty years ago, when it was numerically weak. Had we done this duty then a great trouble and danger now confronting us might have been averted. If ecided not to take action of pressing the revised Congress had waited before taking any action till a million or two of Chinamen were here on our shores, the question probably races. This is our own country, for which our fathers have fought, and for which we in this generation have fought. I want to see

Five Holes Running to the Bone - A Druggist's Testimony. It is with the utmost pleasure that I send another and a larger order for your CUTICURA. Piezes send two dozen extra of the RESOLVENT. I receive daily the most encouraging and satisfactory reports of the wonders it is working, not only from those who have had it, but those who are now using it. I persuaded an elderly lady, who had an ulcer on her leg, to use it. She took my advice, and soon began to get better. Her leg, which had five holes running to the bone, and all discharging matter and very painful, is now quite well. She is able now to work well walk well and sleep well, and is of erwise in perfect health. She has already renewed her supp times, and says she never means to be without a

bottle of RESOLVENT in the house.

SCROFULOUS HUMOR. Eyes, Ears and Neck in the Most Pitiable

No one can tell the amount of suffering I have endured. When I was twelve years old a Scrott Humor broke out in one of its worst forms. While my whole system was affected, my eyes, cars and neck were in the most pitiable condition, and upon neck were in the most pitiable condition, and upon my left arm was a running and painful sore. I was dreadfully afraid I would go into consumption, as two of my sisters had done. I used the CUTICURA and Soar on my sores and took the RESOLVENT regularly for four months, and was cured. I now enjoy a state of health and happiness I never expected

SALT RHEUM. Helpless for Eight Years - Unable to Walk

for One Year-Got About on Hands and Knees-A Wonderful Cure, I have bad a most wonderful cure of Salt Rhoum. seventeen years I suffered with Salt Rheum; I had it on my head, face, neck, arms and legs. I was not able to walk, only on my hands and knees, for one year. I have not been able to help myself for eight years. I tried hundreds of remedies; not one had the least effect. The doctors said my case was incurable. So my parents tried everything that enme along. I saw your advertisement, and concluded to try CUTICURA REMEDIES. The CUTICURA brought the humor to the surface of my skin. It would drop off as it came out, until now I am entirely well. All I can say is I thank you most heartly for my cure, Any person who thinks this letter a fraud, let them write or come and see me, and find out for them-

Yours truly, WILL McDONALD, 2542 Dearborn St., Chicago, Ill.
